

Cuba Initiative Trade Mission to Cuba

Led by the Cuba Initiative Chairman, Lord Triesman

**Renewable Energy
Agri-food
Financial services
Biotechnology &
Pharmaceuticals**

16th-20th June 2019

The Cuba Initiative would like to offer an opportunity to participate in a unique high level Trade and Investment Mission to Havana, Cuba and to meet Cuban decision makers from the key sectors.

The mission will be led by Lord Triesman, the Chairman of the Cuba Initiative and Mr Rodrigo Malmierca, the Minister of Foreign Investment and Trade.

Do not miss this unique possibility to learn about the opportunities in the Cuban market within a new context and directly from decision-makers:

- Discover the latest opportunities in the relevant sectors
- Identify export/investment potential, now possible in almost all sectors
- Build business relationships and increase your visibility
- Receive expert support and advice from the CI and DIT market-based staff
- Take advantage of strengthened UK-Cuba relations following the President's visit to London in November and HRH The Prince of Wales's historic visit to Cuba in March

Interested parties are invited to participate in the following events:
